Hi Brendan. Yes, EPA has written to the mayor of hoosick falls and one of my EPA colleagues copied here will send you a copy of our letter. I will call you this week. I understand there is a community meeting this evening in hoosick falls sponsored by the town. Best, Judith ENCK

Good afternoon, Ms. Enck,

I'm reaching out to you regarding a matter unfolding in the village of Hoosick Falls (Rensselaer County), N.Y. As you may be aware, there is an unfolding issue in that locale regarding PFOA in the drinking water.

Would you be available for an interview this week regarding the situation? Also, has EPA provided any written guidance or memorandums (correspondence) to the village of Hoosick Falls on this issue? If so, could I get copies of any of those records that are public documents?

Thanks in advance for your consideration of this request.
